My dear Mrs. Manley,

Hello again. Just a few lines to tell you that according to our agreement I forwarded news of the games of the Newark Eagles the past week in New York sportscasters and those in Wilmington Del. & Baltimore Md. I caught Stan Lomax's show Saturday night and Sam Taub's show on Sunday and they used news of the games. To date the weather has been good and I hope that it continues.

I'll drop in to see you Tuesday, June 10th regarding radio publicity for this week.

All the bestest,

*Jocko Maxwell*
